

# hello world

i will be posting shortly.

i test markdown and mdx components styling here for now.

```
const str = "hello";
```

EXAMPLE.TS

```
1 const str = "hello";  
2 const value = 42;  
3 const sum = value + 1;  
4 console.log(sum);
```

CAPTION

```
1 const str = "hello";  
2 const value = 42;
```

online code

- list item 1
- list item 2
